## THE CREATIVE NUDGE THAT FUELS JAZZ IMPROVISATION (ALL INSTRUMENTS) (PAPERBACK)

[DOWNLOAD](#)

Jamey Aebersold Jazz, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Why do musicians choose jazz Improvisation as an outlet for creativity? Why are we creating this music and who are we creating it for? All you need is a little information. This book explores the hows, whats, and whys of practice, performance, technique, and musicianship. Sometimes, it only takes a nudge to move your playing to the next level. Master Jazz Educator Jerry Coker has put together this wonderfully-structured text summarizing several important topics regarding jazz and jazz improvisation---giving us all that much needed nudge. 6 x9 paperback. Features: Jazz Study Preparation \* Achieving Maximum Results \* Vehicle / Tune Types \* Instrumental Techniques and Tone \* Scales and Keyboard Activities \* Listening and Ear Training \* Teaching Jazz \* Repertoire \* and much more. Jerry Coker's Creative Nudge is an HGH (human growth hormone) for jazz musicians---only legal and void of dangerous side effects. It is an improviser's steroid that stimulates artistic growth by refocusing energy into specific areas of study and practice. Coker speaks candidly to all jazz musicians---from beginners to advanced players---in a manner that is structured, but not pedantic---conversational, yet impassioned. Its 63 pages contain wisdom gleaned by a life dedicated to and enriched by jazz improvisation. ---Steve Crews, master Jazz Pianist and member of the Jamey Aebersold Jazz Quartet I'm all of one chapter into this pamphlet and am blown away by the positive nature of Coker's outlook. I am so glad I bought this and cannot put it down! ---Rick Schrenker, Jamey Aebersold Jazz customer from Massachusetts I love your new book! I just read it and really identified with much of the book--particularly melodies and tunes in my head all day and night. I...
